

Dear Brother and Sisters,

On February 25, 2009 Oak Harbor Freight Lines illegally suspended 13 Oak Harbor Teamsters without pay for standing strong on the picket line.

Last week, the company fired 6 of the 13 on trumped up charges leaving our fellow brothers and sisters in a financial bind.

These brothers and sisters need our support. This week Teamsters from across the county will come to their aid. Any financial assistance you can provide will be appreciated. All money received will go directly to our brothers and sisters in need. Please make checks payable to Joint Council No. 28 OHFL Membership Assistance. Get your donations to your team captains, your Business Agent or sent your donation to Joint Council No. 28 OHFL Membership Assistance, 14675 Interurban Avenue S., Suite 301, Tukwila, WA 98168-4652.

CHECKS ONLY

Thank you in advance for your support.
